Hi Natalie.

I just received call from an ADA Evandro Carvalho. He is has been assigned to the [REDACTED] case. His number is (617) 396-5641. I informed him that the Lab objected to the defense's document request. He stated that the Rule 17 motion would be held on June 28<sup>th</sup> at Roxbury District Court. I informed that your office was defending us and that you would be contacting him about the date. He stated that the date could be moved as it was not a trial date, but he would assume we were OK w/28<sup>th</sup> unless he heard back from us differently.

Steve
